

The figure is a topographic map of a coastal region, likely a bay or inlet. A grid is superimposed on the map, with numerical values in each cell. The values range from 152 to 302. A red square highlights the cell containing the number 162. The map shows a coastline with a river flowing into a bay. There are various land features, including what appears to be a bridge or a large structure in the water. A north arrow is located in the bottom left corner of the map area.

152	161	162	171	172	181	182
